MEDICAL STUDIES IN HUNGARY, EUROPE

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Research University

- ❖ Awarded by the Ministry of Education in 2010.
- ❖ HUF 3 billion (EUR 11,3 million)
- ❖ Priority areas in Medicine:
 - molecular science, including pharmacy;
 - molecular medicine;
 - health and environmental science
- ❖ Altogether 12 academic research groups,
- ❖ 21 doctoral schools and 7 innovative research teams
- ❖ Effect: likely to enhance the presence of pharmaceutical, chemical, health industry and biotechnology in the region.

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Research activity

Several internationally recognized groups work on projects covering most major fields of biomedicine. The main research profiles are:

- Signal transduction
- Immunology
- Microbiology and pharmacology
- Membrane biophysics
- Physiology-neurobiology
- Haemostasis and haematology
- Epidemiological and clinical epidemiological studies
- Cell and molecular biology
- Oncology
- Dentistry
- Health sciences

**Research Centre for Molecular Medicine
Medical and Health Science Center
University of Debrecen**

**Center of Excellence of the
European Union**

**RCMM is proud to have been selected as "Centre of Excellence" by
the European Union since 2002 in the
"Quality of Life and Management of Living Resources" program**

**Project title: Research Centre for Molecular Medicine:
Improvement of Quality of Life Through Research and Education**

MEDICAL AND HEALTH SCIENCE CENTER

MEDICAL STUDIES IN HUNGARY, EUROPE

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Medical School

- ✓ 18 clinical departments
- ✓ more than 1800 beds
- ✓ One of the largest hospitals in Hungary

- ✓ Hemodialysis center
- ✓ Facilities for open-heart surgery and a kidney transplantation unit.

Study in Hungary

Don't miss your opportunity to pursue your career dreams

The mission of the Center is to train:

- medical doctors,
- dentists,
- pharmacists,
- public health experts,
- health degree holders,
- health specialists,

and to ensure their continuous educational development.

PROGRAMS

- General Medicine
- Dentistry
- Pharmacy
- Public Health:
- BSc in Physiotherapy
- BSc in Public Health
- MSc in Public Health
- MSc in Molecular Biology

Study in Hungary

FACULTY OF MEDICINE

MEDICAL STUDIES IN HUNGARY, EUROPE

Study in Hungary

Don't miss your opportunity to pursue your career dreams

GENERAL MEDICINE (6 years)

- 12 semesters; Start in September and February.
- Years 1-2: Basic Natural Sciences + Anatomy + Physiology
- Year 3: Preclinical Sciences + Microbiology + Pathology
- Years 4-5: Clinical Subjects and Pharmacology
- Year 6: Internship; Internal Medicine, Surgery, Neurology, Gynaecology, Paediatrics and Psychiatry

Study in Hungary

Don't miss your opportunity to pursue your career dreams

FACULTY OF DENTISTRY

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Dental studies take five years (10 semesters).

The program has been carefully structured and designed to ensure a high standard of knowledge, skills and responsibility of dental surgeons.

Study in Hungary

Don't miss your opportunity to pursue your career dreams

DENTISTRY (5 years)

- 10 semesters; Start: September and February
- Years 1-2: Basic Sciences + Anatomy + Physiology, dentistry subjects
- Year 3: Basic Medical Sciences + Microbiology + Pathology, dentistry subjects
- Years 4-5: Clinical subjects and dentistry practice

FACULTY OF PHARMACY

MEDICAL STUDIES IN HUNGARY, EUROPE

Study in Hungary

Don't miss your opportunity to pursue your career dreams

PHARMACY (5 years)

- 10 semesters: Start: September and February
- Years 1-2: Basic Anatomy, Pharmacy, etc....
- Year 3-5: Pharmacy subjects, Physiology, Pharmacology, Toxicology etc....

Study in Hungary

Don't miss your opportunity to pursue your career dreams

BASIC MEDICINE COURSE (1 year)

- Foundation year for medical studies
- 2 semesters; Start: September and January .
- Basic Sciences: Physics, Chemistry, Biology
- English, Hungarian

Study in Hungary

Don't miss your opportunity to pursue your career dreams

FACULTY OF PUBLIC HEALTH

- **BSc in Public Health:**
Course Length: 8 semesters
(Individual study plans makes it possible to graduate in 7 semesters)
- **BSc in Physiotherapy:**
Course Length: 8 semesters
(Individual study plans makes it possible to graduate in 7 semesters)
- **MSc in Public Health:**
Course Length: 2 semesters for MSc graduates, 3 semesters for BSc grad.

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Examinations

- Years 1-2 mostly written
- Examination periods January; June/July
- USMLE 4th and 5th years in Hungary

Study in Hungary

Don't miss your opportunity to pursue your career dreams

International recognition

- State exam in English (M.D., D.M.D, Pharm D. Diploma)
- United States Department of Education
- World Health Organisation (WHO)
- Medical and Dental Councils of UK and Ireland
- Fully recognized by EU countries
- Medical and Dental Councils of India
- Medical Boards of N.Y. and California States

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Staff

- professors, associate professors and assistant professors must have Ph.D., or higher scientific degrees
- most of them had long term postdoctoral fellowships in EU or USA

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Kaplan -USMLE Step1.

- USMLE: Entering residency in the United States of America requires the ECFMG certification, which can be obtained after successfully taking the United States Medical Licensing Examination (USMLE) Step1 and 2.
- Kaplan USMLE Step1. preparatory course available exclusively at the University of Debrecen

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Financial issues

- BMC program: \$ 6,500(1 year)
- General Medicine program: \$ 15,500/year (16,000 in 2 instalments)
- Dentistry program: \$ 15,500/year (16,500 in 2 instalments)
- \$ 1,000/sem material fee from the 3rd year on
- Pharmacy: \$ 8,000/year
- MSc in Public Health \$ 8,000/year
- MSC in Molecular Biology \$ 8,500/year

Study in Hungary

Don't miss your opportunity to pursue your career dreams

Living conditions

- Housing: on-Campus dormitory + outside private housing
- Shopping: Excellent (several hypermarkets with international food, AUCHAN, TESCO, METRO, etc.)
- Food: On campus eateries
- Entertainment (Cinemas + Theatre)
- Health Insurance included in the tuition fee
- Sports: Swimming pool, tennis, soccer, gym etc.
